

Player Commitment Contract

I hereby authorize my son/daughter _____ to play volleyball for Miami Lightning Volleyball Inc. for the club volleyball season. I further agree to the payment of the club season in the amount of \$_____. This payment can be made as a onetime full payment, monthly installments, or weekly installments. I understand that there needs to be a non-refundable deposit which secures my son/daughter(s) spot on the team and will cover all expenses which will be incurred by the club for things such as but not limited to tournament fees, uniforms, and other expenses. Should my son/daughter(s) participation in Miami Lightning Volleyball terminate at any time or for any reason I understand that I am not entitled to a refund of any payments made. I fully agree to the full payment of the additional cost as described to me in Miami Lightning Volleyball Inc. fee schedule.

Dispute Policy: Any player with a concern must first contact their coach and then the club director. Parents with concerns should contact the club director and request a meeting to discuss their concerns. At any time a player can be released from the club if so desired, provided they have fulfilled their player obligation contract. Any communication received in writing will be responded accordingly within 10 business days.
